**Organize Your Bible Knowledge & Gain Deeper Understanding!**

## Wednesday, October 26, 2022

**Key Thought & Introduction:** We teach the Bible illogically, telling stories out of order. We end up with facts without a real understanding of how it all fits together. Though the Bible is made up of 66 books, it is a **whole**, and it tells the story of God from *“In the beginning, God,”* to *“Yes, I am coming soon.”*

Our goal in this class is to teach the Bible systematically and see the Bible as a whole and see how God worked throughout history. We will also be reminded that He is still at work!

**The First Section:** The Period of **Creation or Beginnings.**

**The Second:** The **Period of the Patriarchs.**

**The Third:** The **Period of Moses and the Exodus**

### The Fourth Section:

The Period of Judges and Becoming a Nation

**Interesting Fact:** This period has an assortment of incredible Bible stories. Some are fascinating (walls of Jericho), some are unusual (the sun stood still), some are quotable (Joshua 24:15, “As for me and my house, we will serve the Lord”), some are bloody (Jael and Sisera, Jephthah’s daughter), and some are hard to make sense of. (Samson is a hero—but he was more evil than good.)
